While they beg me to spare , to go away , all it dose is make me stonger . I laugh though their pain in their eyes .If only they could feel what ive been through they would see me and how i feel when i tear limbs part by part the would feel happy to die.

Its nt my fault that i was mentaly ill from the bullies that scared me forever. To bad they suffered so badly , because of me.

i was getting back at them for every thing they did to me . i was going to kill them ....
